INFOGRAPHICS

- Initial Focus on Fumigation (2019): In 2019, the company's contracts were solely for Fumigation & Pest Control Services (7 contracts), with zero recorded Cleaning & Gardening contracts.
- Rapid Expansion in Cleaning (2020): The Cleaning & Gardening segment started strong in 2020 with 7 active contracts, while Fumigation contracts dropped slightly to 5.
- Cleaning as the Dominant Service (2021-2022): The Cleaning & Gardening segment saw its highest contract numbers in 2021 (9 contracts) and 2022 (8 contracts), establishing it as the primary revenue stream in terms of volume during this period.
- Stabilization of Both Services (2022-2024): From 2022 to 2024, both services achieved a stable and robust presence. Cleaning contracts hovered between 5-8, while Fumigation contracts remained consistently high at 6 per year.
- 2025 Outlook (Mid-term): As of the document's date, contracts running into 2025 show a continuation of Cleaning contracts (6), while Fumigation contracts drop (2), likely due to multi-year contracts ending in late 2024. This indicates a strong current reliance on the Cleaning and Gardening business line.
